PLEASE READ THE CRITERIA FOR EACH LICENSE LEVEL BELOW AND INDICATE THE LICENSE LEVEL YOU ARE REQUESTING.

Class A (Formula Pro 125, Intercontinental C [ICC], 250 Moto) is the premier IKF Shifter Kart class and is reserved for those drivers that demonstrate superior driving abilities. An "A" level license requires evidence that applicant is of sufficient experience and ability. Examples: National/Regional Champion, Top 5 in a Regional Series as a senior driver. IKF may consider possession of a license from other national karting organizations as sufficient experience. Review current IKF Rulebook for age requirements.

Class B (Formula 125, Masters 125, Super Stock CR125, Formula 80 Senior, and Formula 80 Ltd.) is an advanced level license and requires evidence that applicant is of sufficient driving experience and ability to be a Shifter Kart driver. A minimum of one year of verifiable kart racing experience is required at the Regional level. Review current IKF Rulebook for age requirements.

Class B/C (Formula 80 Ltd., Formula 80 Senior, Super Stock CR125,) is an intermediate to advanced level license and requires evidence that applicant is of sufficient driving experience and ability to be a Shifter Kart driver. A minimum of one year of verifiable kart racing experience is required at the Regional level. Review current IKF Rulebook for age requirements.

Class C (Novice 80 Senior) is a novice/intermediate level license and requires that an applicant is of sufficient driving experience and ability to be considered a Shifter Kart driver. Certificate of completion from an accredited kart racing school of previous karting experience is recommended but not mandatory. Visual certification by the local kart racing club director or IKF Regional Coordinator is required.

Class D (Formula 80 Super Junior, Junior Super Stock CR80) is a novice/intermediate level license and requires that an applicant is of sufficient driving experience and ability to be considered a Shifter Kart driver. Certificate of completion from an accredited kart racing school of previous karting experience is recommended but not mandatory. Visual certification by the local kart racing club director or IKF Regional Coordinator is required. Applicants under sixteen (16) years of age must have a minimum of one year of kart racing experience. Review current IKF Rulebook for age requirements.

Class E (Formula CR80 Cadet, 60 Cadet) is a novice level license and requires that an applicant is of sufficient driving experience and ability to be considered a Shifter Kart driver. Certificate of completion from an accredited kart racing school of previous karting experience is recommended but not mandatory. Written certification by the local kart racing club director or IKF Regional Coordinator is required. Applicants under thirteen (13) years of age must have a minimum of one year of kart racing experience. Review current IKF Rulebook for age requirements.
